

BARDOLINO SUPERIORE D.O.C.G.

Produced with the classic Veronese red grapes: Corvina Rondinella and Molinara coming from our vineyards in Salionze, in the south of Garda Lake. Before being bottled, refined at least a year in large wooden barrels and steel.

Name

Bardolino Superiore D.O.C.G.

Vines

Corvina, Rondinella and Molinara

Production technique

Careful selection of grapes for a limited production of this "classical Veronese wine". After maceration, it is first refined in medium-sized barrels and then in steel.

Organoleptic qualities

Deep ruby-red colour with perfumes of ripe red fruits and hints of vanilla. It has a sapid, soft, balanced taste.

Alcohol content 12,80%vol

Food combination and serving

Wine to be accompanied by roasts and various kinds of cold meats and salami. Serve in large glasses at 20° after adequate airing.
