

## MARZEMINO

**Native and historical vine of Vallagarina, the southern part of the province of Trento, cultivated with pergola trentina, harvested by hand and vinified at Maso Bianco.**

### **Name**

Marzemino d.o.c.

### **Vines**

Marzemino

### **Production technique**

Obtained from the long maceration of the homonymous grapes harvested in the vineyards of Maso Bianco.

### **Organoleptic qualities**

Ruby red with orange reflections after its aging. Pleasant perfume and characteristic soft taste, slightly tannic and harmonic in the body.

**Alcohol content** 13.00 % vol

### **Food combination and serving**

To be served at 16°-18° C. Perfect with roasted red meat, game and young cheese.
